- 5:00pm Draw for main prize draw at Kanata legion; the draw will also be live-streamed over Facebook.

### Important COVID-19 Information for All Participants:

Consistent with Stage 3 Re-Opening Guidelines for Ontario, you must follow the COVID-19 regulations in respect of holding outdoor, public events in your region. Thank you so much for your anticipated cooperation. Let's keep each other and our loved ones safe.

Thus, this friendly reminder:

- Physical distancing – keep a minimum of 6ft or 2 meters between yourself and the person next to you.
- Wear a mask (even outside) when you cannot maintain the 6ft distancing with other folks.
- Use the hand-sanitizer provided at your registration table, when entering local RCL branches and supporting local businesses such as restaurants, gas stations, etc.,
- Keep to your social group to sets of no more than 10 people, in a wide circle.
- All RCL branches are required to log the names and phone numbers of attendees entering their establishments; please limit your numbers at any one time inside a RCL branch according to the RCL branch volunteer. Some RCL branches may ask you to have your temperature taken...or a marshal may remind you to social distance...please thank them for doing that. .

In some of our busier regions (pre-registered riders in a region numbering over 50), we will be adopting a "Sign In & Go" procedure to space participants appropriately at the Start Location so that our numbers are spaced out nicely while traveling the route and visiting route stops. It may be that groups of riders are released every 15 minutes or as soon as a riding group of 10 is achieved, etc.

Please come prepared with a full tank of gas, a drink & snack stowed in your vehicle, if you wish and an empty bladder.

In closing, over 100 RCL branches have opened their doors to us this year so we may have rest stops and access to their canteen and washroom facilities. Without them the 2020 Gallant Knights Veterans' Rally would not be possible. Thank as many of these fantastic volunteers with an elbow bump...and above all, please be kind, understanding and patient with one another on what is sure to be a fun, beautiful fall day.

Thank you for helping each other stay healthy.
